

Hiking Journal

Thank you for downloading our Hiking Journal!!

Print one cover for each child and have them fill in their name and year and color the picture if they like.

Then print as many journal pages as you would like. They are formatted to print front to back to conserve paper.

Then cut pages apart and staple them with the cover into a booklet.

Complete the pages each time you hike by filling in trail and weather information and listing and drawing different plants, animals, tracks, and rocks that you find!
