

Thank You

Thank you for downloading the vocabulary lists! For each book, the words are listed by chapter and most are in order within the chapter. These are words I consider to be Tier II words that children will encounter in a variety of contexts throughout their school years. You may choose to study all of the words for each book with your children or to choose a couple words from each chapter.

This packet will be updated from time to time with more vocabulary lists so make sure to stay subscribed to our weekly newsletters so you will receive the new lists.
