Thank you for downloading the **Biography Notebooking Pages**. They can be used to take notes about any historical figure you choose. There are several different types of notebooking pages to choose from. Here is what is included:

- Page 2:** One-page notebooking sheet for children who want to write less and draw a picture.
- Page 3:** Bookmarks for students to make quick notes as they read or to complete as a group during a read aloud.
- Page 4:** One-page notebooking sheet for children who want to write a little more or don't want to draw. These pages may be cut apart once completed and placed into a project display such as a poster or pizza box.
- Pages 5-6:** Two pages of notebooking sheets with boxes that can be cut apart.
- Pages 7-8:** Two pages of more traditional notebooking pages. Good for doing research to use in a subsequent project.
- Page 9:** Timeline by year. Print as many copies as needed.
- Pages 10-13:** Timeline by historical figure's age.
- Page 14:** Timeline bookmarks.
- Page 15:** Venn diagram. Compare two different historical figures.

Compare Two People

Think of two people you have read about that are similar in some way and write one person's name at the top of the left circle and the other person's name at the top of the right circle. Then, think of all the ways they are similar and write them in the middle where the circles overlap. Think of all the ways the two people are different and write those items in the other parts of the circles that do not overlap. Use your notebooking pages to help you look for similarities and differences.
